- Tracked social media content daily for brands such as Reebok, L'Oréal Paris, Thayers, Valmont, Drakkar Noir, The Body Shop, NYX, L'Oréal Professionnelle and Pureology. - Proposed ideas for and worked closely with clients to coordinate influencer events with over 200 guests. - Composed 6 monthly reports of content and numbers to present to clients. - Pitched to 300+ influencers and traditional media sources weekly. - Researched and developed social media trends and targets.	
PL Consulting (Consulting, Private Agency) <i>Creative Coordinator</i>	<i>Toronto, Canada</i> May 2021 – September 2021
- Supplied communications consulting practice with content and design needs, ranging from client decks to internal copy. - Conducted thorough market research for client presentations, improving relevancy of content.	

PROJECTS

APRAMP Awareness Campaign

- A campaign concept tackling human trafficking in Spain, built around a walk-in installation designed to simulate the manipulation behind online recruitment. Covered creative strategy, visual identity, print, and a full social media rollout.

Levi's Brand Campaign

- A fully conceptualised and executed campaign targeting the digital nomad lifestyle, covering end-to-end art direction, shoot production, styling, and creative strategy. Developed from the insight that modern travel is increasingly performed for an audience, the campaign repositioned Levi's denim as the one grounding constant in a life lived without a fixed address.
